

**KRISLINK ENGINEERING CONSULTANTS**  
An ISO 9001:2008, ISO 14001:2004, OSHAS 18001:2007 Certified Company

**A LINK TO GLOBAL EXCELLENCE**

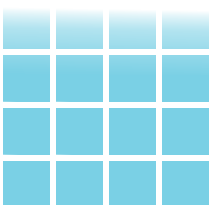

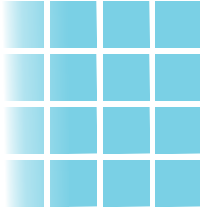

## About Us

(Reg No: 200309526Z) ( KEPL/KEC) is incorporated under the Singapore Companies Act (CAP 50), on and from 2003 and that the company is a Limited Exempt Private Company. KEPL/KEC has its office at Chennai, TN, India in the name of M/s Krislink Engineering Consultants. ( It's presence in Singapore provides its Clients a variety of Blooming opportunities in Asia Pacific Market and links as a Gateway to the Oil and Gas sector/Power and other Industrial sectors.). KEC with its Sister Concern M/s Sree Balaji Engineering Works, excels in the field of Fabrication, Erection services and Telecom OFC Cable Laying Projects With our extensive network of our expertise associates both in Asia Pacific and India we are able to provide a vital value-adding role to the Client in achieving the Corporate Quality Objectives and leading them to the Link of Global Excellence.

KEPL/KEC is an independent consortium based in Singapore as a convenient vehicle to offer our services to companies undertaking new build, conversion and refurbishment of offshore units within the Asia region. Our associates have well established yard bin Singapore /Batam (Indonesia)/Malaysia. KEPL/KEC has its office in Chennai to Cater the industrial needs.

## Summary Of Services Offered

Vendor Inspection and Expediting  
QHSE and Auditing Services  
Project Management Consultancy  
Marine Engineering And Consultancy  
Offshore Engineering  
Design Engineering  
Electrical and Instrumentation Engineering  
Fabrication Facilities And Erection Services  
Telecom - OFC Cable Laying and Services  
HR Staffing and Outsourcing

## About CEO – ( Kris.Maruthavanan ) B.E.,M.B.A.,

*Accomplished, versatile & trusted executive with high-growth, start-up and international experience. Partners with business leaders to shape business goals and customer needs into reliable & efficient solutions.*

*Leadership profile with over **25 years** of demonstrable international experience spanning general management skills; proven track record of leading & motivating large multi-cultural & geographically distributed teams to deliver on organizational goals.*

*Strong functional skills in Quality Management (QA-QC), Safety Management, Risk Assessment, Project Management, Commissioning, Integrated Management in Onshore and Offshore Operations.*

*Strong domain skills in Oil & Gas and Manufacturing*

*Hands-on & adept at running metric-driven business organizations and has handled multi-faceted roles viz. Project Consulting, Entrepreneur-style business turnarounds, P&L ownership, start-up operations, global expansions, etc.*

### **Countries worked in**

*Singapore (Permanent Resident), India, Sultanate of Oman, Kuwait, Dubai, Qatar, Saudi Arabia, Thailand, Indonesia, Malaysia, Vietnam.*

### **Key Skills**

*Project Management (EPCI)  
Quality Management  
Audit (Technical/Compliance)  
Value Assurance Review  
Safety Management  
Risk Assessment*

*Business Development  
Welding Inspection  
NDT Coordination  
Vendor & Assessment  
Compliance & Certification  
HSE Case Study*

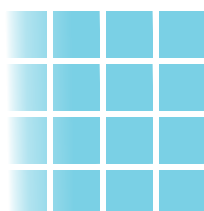

*Process Mapping  
Integrity Management  
Training  
Continuous Improvement  
Technical Integrity Verification  
Interface Management*

### **Client Endorsements**

*SHELL, CONOCO, HALLIBURTON,PETROLEUM DEVELOPMENT OMAN, PTTEP,TOTAL, ONGC  
ROCKOIL AUSTRALIA,CULLONG,PETRONAS MALAYSIA,PETROVIETNAM,PREMIER OIL,  
TULLOW GHANA,*

### **Prestigious Client Associated with**

*Shell (Sarawak/Malaysia)  
Electrowatt Engg Zurich(Oman)  
Bureau Veritas( Kuwait)  
Worley Parsons( Saudi)  
Halliburton/KBR( Singapore)  
J Ray Mcdermott(Singapore )  
American Bureau of shipping ( Singapore )  
Nippon Steel(Thailand)*

## Credentials

# CERTIFICATE

Quality Management System of:

**KRISLINK ENGINEERING CONSULTANTS**

No.1, Door No. 3/2, Kruty Apartments,  
 LIC Colony Extension,  
 Tiruvanmiyur,  
 Chennai-600 041

Has been assessed and found to meet the registration requirements of:

## Vision

- To provide our client with services dedicated to their requirements*
- To continuously improve our services through professional teamwork, education and assimilation of information*
- To maintain business expansion throughout our range of services*
- To operate safely in compliance with International Quality, Health, Safety and Environment Standards and to promote a total QHSE approach*
- To promote a quality of excellence in all aspects of our operation*

## Our Principles

- We conduct our businesses with respect and care for the environment and without compromising the health and safety of people, whether employees, customers or citizens around the world.*
- We continuously improve our business processes while meeting or exceeding legal or regulatory requirements and appropriate international standards.*
- We provide high quality products and services to make our customers successful and add value to our business. We provide an environment for open and transparent communication of QHSE matters.*
- We recognize that the skills and involvement of our employees are essential for understanding and fulfilling the needs of our company and customers.*
- We provide the necessary resource to achieve our vision.*

## Vendor Inspection and Expediting Services

KEPL/KEC offers vendor inspection and expediting services to support the project procurement and sub contracting activities through our engineering expertise. Strategically located technical specialist visit supplier facilities and field sites to oversee fabrication and report to the client. Our qualified technical specialists are available for residential assignments and will provide effective, cost-efficient services to clients. This scope covers the following activities but not limited to:

*Selection of Subcontractor and Vendor suitable for the client through a systematic audit process and liaison on behalf of the client to execute the procurement activity right from inception of RFQ upto the day it is received on Site*

*Vendor assessment and capability studies*

*Preparation of vendor inspection and expediting plans based on the criticality of the equipments*

*Attending and organizing the pre -production meetings*

*Desk Top expediting and Field expediting*

*Vendor Audits and assessment/Supplier Inspection Coordination*

*Review of Final Documentation*

## Clientele List:

TUV

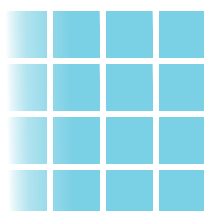

ONGC INDIA

JK PAPER LTD

ENMASS O & M

ENMASSANDRITZ

GEECO ENERCON

## Project Management Consultancy

### **Our scope of services range over:**

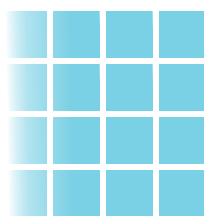

Project Management Services  
QHSE Programme  
Vendor Assessment  
Supplier Inspection and Coordination  
Cost & Quality Control  
Procurement and Award of Contract  
Documentation and Data Control  
Estimation and Tender Bid Support  
EPC execution phase  
Project Administration and Control  
Continual Improvement Programme

### **Projects Completed :**

Office Complex & Factory for Asian Lighting Resources India Ltd.  
Venture Lighting India Limited, MEPZ, Tambaram, Chennai  
Office Complex & Factory of Uthara Fashion Knitwear Ltd  
Projects of Christian Medical College Hospital ,Vellore  
Hospital & Integrated Health Centre at Katpadi,TN  
Construction of I.T. Building for Tanjore R.C. Diocese in Santhome  
Construction of Southern Asia Christian College  
Construction of Class rooms in M.C.C Higher secondary school  
Construction of Genera late at St. Thomas Mount, Chennai  
Construction of St. Joseph's Girls Higher Secondary School  
Construction of office Complex at Manapakkam for L&T  
Construction of Residential Flats at Chennai

*Project Management Services includes the initial stage of master planning and design brief to the completion / commissioning of the project and handing over. The key areas involve evaluating and monitoring Mechanical, Civil, Structural, Electrical, HVAC, Vertical Transportation System, Fire Protection system, PHE System, Structural Glazing works and Interior works. The focus area of specialization includes MEP projects, IT Parks, Pre Engineered Factory Buildings, Shopping Malls, Hospital. Hotels and High End Villas. During the project, provides to the Clients Value Engineering advice and helps in timely completion with cost control measures. We have established operations in Chennai, Trichy provide dedicated services in Project Management.*

*We bring value to customers' projects through proven work processes, a dedicated workforce and diverse capabilities. Integrity is our foremost standard of conduct; we create a culture and philosophy that reflects our values. An honest, straightforward approach to business makes to be the preferred Project Management Consultant.*

## **QHSE and Auditing Services**

*KEPL/KEC offers the following services at all stages of the project from engineering, (Concept design, Detailed Engineering), Procurement, construction and commissioning , but not limited to :*

*Development of a Integrated QHSES manual to incorporate procedures and flowcharts,  
Audits schedules and Project QHSES Goals*

*To Provide Competent resources to conduct oversight verification and follow  
the main contractor and subcontractors Quality control plans and/or Inspection and Test Plans*

*The maintenance of the system by the planned audits and gap analysis of the to ensure the compliance  
to the agreed Management system such as ISO 9001, OSHAS 18001, ISO14001 and or project specifications*

*Development of vendor inspection plans and vendor audit schedules*

*Monitor Inspection and Test, FAT, review processes and documents, verify measurements and test  
results, assess workmanship, and report quality progress to the Management*

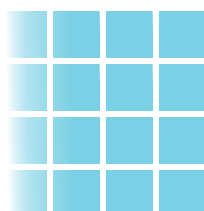

*Assist in the Certification Classification of Vessel*

*Qualified IRCA auditor with Wide experience in QMS audits, Pre- Assessment audit , Pre-Mobilization  
Audit, Readiness Review Audit, HSE compliance Audit of Onshore & Offshore operations*

*Ship Surveys, Ship Yard Inspection and Sea Trials*

## **Clientele List:**

**ABS SINGAPORE  
RUBICON OFFSHORE  
ONGC INDIA  
THOME SHIPPING  
NORTH SOUTH SHIP MANAGEMENT  
V-SHIPS**

## Marine Engineering Consultancy

KEPL/KEC functional experience in Marine/Offshore with a Marine Certified Chief Engineers skill sets provides full range of Marine Engineering & Consultancy Services, but not limited to:

Technical consultancy services for new buildings such as bulk carriers, tankers, AHTS, PSV, MSV ( DP 2 & 3), Crane and Pipelay barges , Drill Ships ,FPSO/FSO

Ship Broking ( both Marine and Offshore Vessels )

Ship Yard Facility Overall Concept and layouts, Site terrain & subsea surveys, land survey & land negotiations. Site development plans and engineering, Scheduling, Yard layout options and detailing, presentations and reports for development of an advanced Shipbuilding Facility

Pre-purchase inspection for vessels and submission of reports and recommendations.

Inspection of vessels on behalf of owners and submission of reports with photographs and recommendations for repairs, maintenance and means for improving condition of vessel.

Survey and reporting of damages on machinery and hull.

Internal audits per ISM requirements.

Superintending services during dry-docking.

Supervision of repair work on-board vessels.

Preparation of dry-dock specifications for submission to yards.  
Evaluation and comparison of dry-dock quotations.

Consultancy services for development and implementation of ISM code, including assistance in the development of all manuals and reporting forms.

Internal audit as required by ISM prior to external audit.

On-hire and off-hire surveys, condition surveys and reporting.  
Consultancy services for development and implementation of software for crewing and planned maintenance systems

### Clientele List:

TITAN CRUISE LINE  
ESSAR SHIPPING  
KBR  
LARSEN & TOUBRO  
NEPTUNE DRILLING  
SAIPEM SPA  
CNOOC AGIP CHEVERON TEXACO

## Offshore Engineering

*This specialization enables KEPL/KEC to provide the oil and gas industry with a full range of Offshore engineering services for the Planning, Engineering Design and Construction & Project Management as following, but not limited to ;*

*Concept Design and engineering development of Greenfield Offshore Modules and Structures Fabrication Facility, Shipbuilding /Ship Repair Facility and Offshore Supply Base*

*Complete Engineering of Offshore Platform, FPSO with our associates infrastructure at India Detailed design, contract planning and specifications Construction planning, scheduling and cost estimation*

*Concept Design, Engineering, Heavy Lift and Pipelay concepts, design and specifications*

*Drillship Upgrade and Reactivation*

*Newbuild Multipurpose Offshore Construction Support Vessel*

*Offshore Pipelay Installation*

*Newbuild Offshore Gas Platform*

*Inspections and condition surveys - drillships, semi-sub, jack- up, landrig*

*Economic and technical feasibility studies*

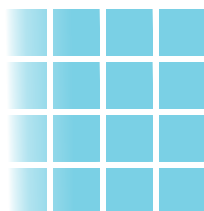

*Materials and equipment fabrication, procurement and expedition*

*Construction management, inspection and quality control*

*Shipyards liaison and site screening*

## Clientele List:

LARSEN & TOUBRO  
ESSAR SHIPPING  
NEPTUNE  
PACIFIC RICHFIELD  
SAIPEM SPA  
CNOOC AGIP CHEVERON TEXACO

## Design Engineering

Our associated in India & Singapore who have Design & Engineering Solution Provider primarily in Oil & Gas, Power and Petrochemical Industries. KEPL/KEC seasoned Lead Experts will liaison with our associates who have several hundreds of collective man-years experience in Oil & Gas, Marine, FPSO/FSO Design Operations, and Project Execution & Maintenance.

Engineering Design & Procurement support	Mechanical & Structurals	Process Engineering
Piping	Electrical & Instrumentation	Commissioning & Field Support

### Design Services Offered:

Project Management , Consultancy & Engineering  
 Document Review Services

Design of Jacket/Deck , Riser, Flare Tower, Bridges

Jacket Load Out Analysis

FEED/Detail Design Engineering of Process  
 Topsides and Skid Modules

FPSO Topside Design

Detailed Engineering of on Shore Processing  
 Facility, Tank Farm, Utilities Etc.

Detail Engineering, RVP, BS&W, Oil in Water, Gas Dehydration, Gas  
 Hydrocarbon Dew point Control and Gas Metering

Commissioning Services

Power Plant Engineering

Infra structural Engineering

### Software Available:

**STRUCTURAL ANALYSIS AND CALCULATIONS**  
 SACS, STAAD, PRO, MATH CAD, GRLWEAP

**PROCESS SIMULATIONS**  
 HYSIS

**PRESSURE VESSEL DESIGN**  
 PV ELITE

**PIPING STRESS ANALYSIS**  
 CAESAR II

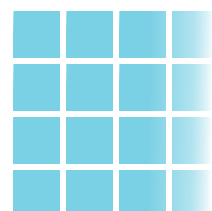

**INSTRUMENTATION**

SMART PLANT INSTRUMENTATION (INTOOLS)

**3D MODELING AND ISO PREPARATION**  
 PDMS / PDS

**2D DESIGN AND DRAWINGS**  
 AUTOCAD

**PROJECT MANAGEMENT**  
 MICROSOFT PROJECT  
 PRIMAVERA

## Electrical and Instrumentation Engineering

KEC working closely with its associates in India who provides quality Electrical and Control systems to major Process with domain experience in core sectors like Oil & Gas, Power, Sugar, Steel, Cement etc. Skills include every aspect of engineering, design, detail engineering, FAT, Installation, SAT, commissioning, As built, Startup, Trouble shooting.

### **Following are the range of services offered, but not limited to :**

*Design Engineering includes activities like Preparation of specification and data sheets, Single line diagram, Instrument Index/Set Point specifications, Selection of Control and Relief Valves, Hook up diagrams and Bill of Material*

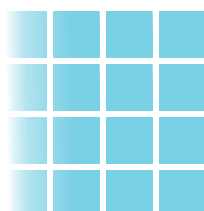

*Engineering Services which includes System Design, Programming /Interlocking, Development of Operator screens, Control Panel building , FAT & SAT , Training etc*

*Design & develop customized control & automation systems by using reputed brands of PLCs, DCS, SCADA, BMS (Building Management System ) & Drives.*

*Manufacturing of PLC and DCS system Panels*

*A vast experience in Erection, Testing and Commissioning of E & I System in Power Project , Offshore Project and Refinery projects*

*Supply of Technicians and Specialized personnel in E & I jobs*

## Fabrication Facilities and Erection Services

**Following are the range of services offered, but not limited to :**

*Facilities in India to manufacture Heavy Metal Fabrication of Structural components, Wind Power Tower , Boiler and Pressure Pa  
Process Equipments, Heat Exchanger, Ducting etc to the requirement of International Codes and Standards*

*ASME U,S & R stamped Vessel Manufacturing capabilities at India*

*Fabrication Facilities and Testing Capabilities*

*Manufacturing Capabilities of Power Generation Equipments in India*

*Power Plant Consultancy Services and Providing  
Suitable solutions in Power Plant*

*Full Qualified QA/QC team to meet the international requirements and provide specialized Personnel at all stages of the project*

*A Full fledged NDT Company who can support onsite and offsite Fabrication Services is available*

*Fabrication facilities with capabilities of Material forming , Blasting and Painting , Machining , Heat Treatment , Testing and Laboratory  
Facilities , NDT facilities can be demonstrated and we will act as client representative to execute with all QHSE standards met.*

## Clientele List:

BHEL TRICHY,

LARSEN&TOUBRO

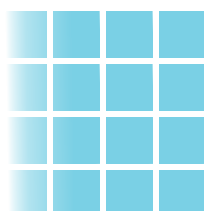

GEECO ENERCON

ARTSON ENGINEERING

ENMASS O & M

RELIANCE JIO COMM

AIRTEL

## Telecom- OFC cable laying and services

**KRISLINK ENGINEERING CONSULTANTS (PARENT COMPANY) with its sister concern M/s SREE BALAJI ENGINEERING WORKS** deploy and manage your optical networks covering project management, operational support, customer care management, systems integration, value added service platforms and Competence Solutions.

*Infocomm Ltd. (RJIL), a subsidiary of Reliance Industries Ltd. (RIL) and having a Category-A ISP Licence and IP-I registration, has recently acquired the Broadband Wireless Access (BWA) spectrum throughout India. RJIL is in the process of deploying a 4th Generation (4G) Wireless Broadband Network serving all parts of the country by deploying Long Term Evolution (LTE) technology.*

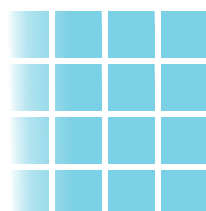

*For such eNodeB site infrastructure, RJIL has developed a very innovative and pathbreaking in-house design for an integrated mast, eliminating the need of larger space and also associated space consuming accessories.*

*As part of RJIL 4G Rollout plan, the overall execution of infrastructure requirement for 4G Rollout is divided into 5 parts and we are involved in the following scopes. Work orders for the same are given in the name of M/s Sree Balaji Engineering works (which falls under the group of Ms/ Krislink Engineering Consultants)*

- AG3,SAG2,AG2 Infrastructure readiness.
- NLD Fiber roll out with facilities (ILA | AG2)
- Intracity fiber roll out & metro AG2
- Mast infrastructure roll out (ENodeB + AG1)
- FTTP (FTTH) and in house device installation.

## Clientele List:

- Reliance Ji Comm
- HFCL group
- Airtel

## HR staffing and Outsourcing

KEPL/KEC outsourcing and manpower staff are experienced in identifying client's needs worldwide. We offer contract recruitment for both long and short term projects for the following , but not limited to :

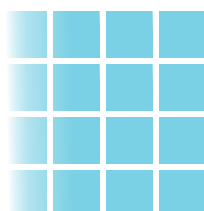

*Oil and Gas sector  
Nuclear Sector  
Defence Sector  
Engineering Sector  
Power Sector  
EPC turnkey contracts  
Infrastructure ( Road, Bridges, Buildings etc )*

Our range of personnel includes, but not limited to:

*Project Management Personnel  
Marine and Offshore Expertise  
Discipline Engineering Personnel  
QA-QC Engineers/Inspectors  
NDT Inspectors /Technicians  
Welding Engineers & Inspectors  
Coating Inspectors  
Safety Engineers  
IT Professionals  
Workmanship category  
Shutdown support service personnel  
International Trading ( Surveyor, Quality Inspectors, Tally clerk, Sampler, Chemist)*
